Junior software developer with particular interests in web development(full stack), i am self taught for the most part but also studied systems development at WeThinkCode_
I am currently pursuing a bsc in computer science with only one module to go at the University of South Africa expected completion is in February.

With a passion for I.T and a strong dedication to excellence, I am confident that I can contribute significantly to any team I join.

EMPLOYMENT HISTORY

Stockroom associate, Cna *Johannesburg*
DEC 2012 – JAN 2014

DIGITAL SPECIALIST, Cna *Johannesburg*

Was responsible for customer service in the digital department selling and giving advice on all electronics the store had.

FLUTTER

NODE.js

BOOTSTRAP

EDUCATION

Bsc Computing, University of South
Africa.
Jan 2019

Only one module left expected to be done in feb.

Certificate in Systems Development
WeThinkCode_. *Johannesburg*

AUG 2022 – DEC 2023
WeThinkCode_ is a software development
training academy. Here I had the valuable
opportunity to simulate real-world work
environments and collaborate effectively within
diverse group settings. These experiences have
honed my ability to thrive in dynamic team
environments & handle complex challenges
with a proactive approach.
